

The Village of Yellow Springs Utility Office now offers a one-time sewer credit for swimming pool fills!

If you are planning on filling a swimming pool, contact the Utility office at 937-767-7202 opt. 2, no later than 24 hours prior to the start of your fill. A meter reader will be scheduled to come out to take an initial meter reading, and again no later than 48 hours after the fill. A credit will then be issued on the sewer portion only of your next bill.

**No credits will be given on pool fills without the Village obtaining meter reads before and after the fill (within 48 hours).*
